Introduction

This program offers a teacher certificate (Post Graduate Certificate in Education, PGCE) in an academic period as short as two semesters. The programme is concentrated on the educational applicability of the necessary teacher competencies. One of the goals of this programme is to equip our candidates with general pedagogical and psychological as much as field-specific methodological knowledge and skills to teach certain content and manage schools worldwide.

Graduation and Degree Information

MITEP program leads to a M.A. degree with certification to teach in elementary or secondary education. We prepare elementary and secondary education teachers in English/Foreign language, Math, Science, Social studies, linguistics, physical education, music and art.

Students who successfully complete and pass the modules specified in the course structure will be awarded the Master of Education from the Faculty of Education, University of Kragujevac, Serbia.

Entry Requirements

A bachelor degree in the field of education or related field.

Applicants with other professional qualifications and work experience will be considered on a case-by-case basis.
